

Session 6 project

Gkloumpou Nikolaos, Malthe H. Boelskift, Louis Ildal, Guillermo V. Gutierrez-Bea,

October 11, 2023

Group: 203

1 Excercise 1

2 environment reproduction

To reproduce the environment used to build the excersise, follow these instructions:

```
python3 -m venv env
source env/bin/activate
pip3 install numpy scikit-learn matplotlib
```

After the above steps the program can be executed by typing

```
python3 'ProgramName.py'
```
